The Governor in Council, in exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, prohibits pilgrimage to the ensuing Sri Karibasavaswami car festival, from the 16th to 24th March 1918, inclusive.

All persons proceeding to the said festival in contravention of this notification will be turned back.

IV.

Whereas the Governor in Council is satisfied that there is danger of an outbreak of plague at Mechcheri in the Omalur Taluk of the Salem District, if persons from the infected portions of the Salem and Coimbatore Districts, the Mysore State and other parts declared to be infected with plague are permitted to visit that place on the occasion of the ensuing Bhadrakalyamman car festival and cattle fair:

In exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, the Governor in Council prohibits the attendance at the said festival or fair from the 20th to 28th February 1918, inclusive, of all persons from the said parts.

All persons proceeding to the said festival or fair in contravention of this notification will be turned back.

No. 4755—*San.* 87-17-15, *dated* 23*rd February* 1918.

It is hereby notified for general information that the attendance of persons from infected areas at the fairs and festivals noted below is prohibited by the Government of His Highness the Maharaja of Mysore, in exercise of the powers vested in them by the Epidemic Diseases Regulation, II of 1897 :—

Name of fair or festival	Place	Taluk	District	Period	
				From	To
1. Sri Ramalingeswaraswami car festival.	Avani Avani hobli.	Mulbagal ...	Kolar	6th March 1918	16th March 1918.
2. Sri Adinarayanaswami car festival.	Yellodu ...	Gudibanda (Sub-Taluk).	Do ...	25th February 1918.	6th March 1918.
3. Sri Bhoga Nandiswaraswami car festival and cattle fair.	Nandi ...	Chikballapur ...	Do ...	12th March 1918	22nd March 1918.

No. 4831—*San.* 15-17-25, *dated* 27*th February* 1918.

The following notification of the Madras Government is republished for general information :—

"Whereas the Governor in Council is satisfied that there is danger of an outbreak of plague at and near Manantoddy in the Wynaad Taluk of the Malabar District, if persons from the infected portions of the Malabar and Nilgiris Districts, the Mysore State and other parts declared to be infected with plague are permitted to visit that place or its vicinity on the occasion of the ensuing Vallurkavu or Fish Pagoda festival and fair:

In exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, the Governor in Council prohibits the attendance at the said festival or fair from the 10th to the 28th March 1918, inclusive, of persons from the said parts.

All persons proceeding to Manantoddy or the Vallurkavu temple or congregating in the vicinity of Manantoddy in contravention of this notification will be turned back.

By Order,
C. S. BALASUNDARAM IYER,
Chief Secretary to Government.

REVENUE.

No. R. 8645—*L. R.* 20-17-22, *dated* 21*st February* 1918.

No. R. 8864—*L. R.* 338-15-12, *dated* 27*th February* 1918.

In continuation of Government Notification No. R. 7942—L. R. 338-15-9, dated the 31st January 1918, publishing a draft scheme regarding the abolition of certain sub-taluks and constitution of taluks in their stead, it is hereby notified for the information of the public that the hoblis of Yedahalli and Danivasa of the present Narasimharajapura Sub-Taluk are proposed to be transferred to the Koppa Taluk.

2. Any objections or criticisms regarding this proposal may be submitted within two months from this date.

No. R. 8574—*Ft.* 124-17-5, *dated* 19*th February* 1918.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900) that, from 1st April 1918, the area, the boundaries of which are set forth in the Schedule annexed to this notification shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof:—

SCHEDULE.

District	Taluk	Approximate area	Name of block
Kadur ...	Chikmagalur ...	10,714 acres and 34 guntas or 16·74 square miles.	Gangagiri.

Boundaries.

North.—Starting from the right bank of the Bhadra river at the south-west corner of Survey No. 12 of Heggarmathivani, the line runs north-east for about 73 chains along the southern boundary of the said survey number to a point about 5 chains north-west from the northernmost corner of Survey No. 16 of Sirgola; then south-west for about 13 chains through Survey No. 15 of Sirgola to a point about 6 chains west from the westernmost corner of Survey No. 16; then south-east for about 5 chains through Survey No. 15 to a point about 5 chains south-west from the said corner; then again south-east for about 15 chains through Survey Nos. 15 and 19 to a point about 6 chains south from the southernmost corner of Survey No. 16; then north-east for about 21 chains through Survey Nos. 19 and 18 to a point on the northern boundary of the first named survey number, about 5 chains south-east from the easternmost corner of Survey No. 17; then north for about 4 chains through Survey No. 10 of Heggarmathivani to a point about 5 chains east from the southernmost corner of Survey No. 11; then north-west for about 13 chains through Survey

10, 11 and 12 to a point about 5 chains north-east from the north-west corner of Survey No. 11; then north-west for about 9 chains through Survey No. 12 to a point about 8 chains north-west from the abovenamed corner; then north-east for about 26 chains through Survey No. 12 to a point on its eastern boundary about 8 chains north-west from the north-west corner of Survey No. 9; then again north-east for about 90 chains through Survey Nos. 13 and 14 to the southernmost corner of Survey No. 15; then south-east along the eastern boundary of Survey No. 16 to the northernmost corner of Survey No. 60 of Sugadavani; then north-east for about 60 chains along the northern boundary of Survey No. 254 of Sugadavani to a point about 16 chains south-west from its northernmost corner; then south-west for about 41 chains through the said survey number and Survey No. 59 to the north-west corner of Survey No. 58; then south-west for about 9 chains through Survey No. 59 to a point about 5 chains north-west from the north-west corner of Survey No. 256; then again south-west for about 32 chains through Survey No. 59 to its south-west corner; then along the common boundary between Heggarmathivani and Sugadavani villages, to a point about 25 chains east from the southernmost corner of Survey No. 1 of Heggarmathivani; then it passes in a semi-circular way for about 16 chains through Survey Nos. 16 of Heggarmathivani and 19 of Sirgola to a point about 19 chains south-east from the southernmost corner of Survey No. 1 of the latter village; then along the common boundary between Sirgola and Sugadavani to the tri-junction bandhs of the said villages and Bidare; then south-west for about 39 chains along the common boundary between Sirgola and Bidare to a point about 18 chains north-west from the north-east corner of Survey No. 60 of Bidare; then north-west for about 44 chains through Survey Nos. 22, 19 and 20 of Sirgola, to a point about 6 chains north-west from the south-east corner of Survey No. 20; then south-west for about 41 chains through Survey Nos. 20 and 22 to a point about 21 chains north from the north-west corner of Survey No. 21; then south-west through Survey No. 22 to a point on a halla about 5 chains north-west from the abovenamed corner of Survey No. 21; then south-west for about 23 chains through Survey No. 22 to a point about 9 chains west from the westernmost corner of Survey No. 21; then south-east for about 33 chains through Survey No. 22 to a point on its eastern boundary about 5 chains south-west from the southernmost corner of Survey No. 69; then along the common boundary between Sirgola and Bidare to a point about 5 chains north-east from the easternmost corner of Survey No. 28 of Sirgola; then west for about 4 chains through Survey No. 24 to a point about 5 chains north from the abovenamed corner; then south-west for about 5 chains through Survey No. 24 to a point on its western boundary about 5 chains north-west from its southernmost corner; then south-west for about 21 chains through Survey No. 28 to a point about 16 chains north from the northernmost corner of Survey No. 226 of Bidare; then south-west along the common boundary between Sirgola and Bidare to the north-east corner of Survey No. 232 of the latter village; then along the eastern boundary of the said survey number to the northernmost corner of Survey No. 231; then along the southern boundary of Survey No. 230 to its south-east corner; then along the western boundary of Survey No. 236 to its south-west corner; then south-east for about 39 chains through Survey No. 235 to the southernmost corner of Survey No. 249; then in the same direction for about 32 chains through Survey No. 250 to a point about 1 chain south from the south-west corner of Survey No. 262; then south-west for about 3 chains through Survey No. 250 to a point about 4 chains south-west from the above named corner; then south-east for about 8 chains through Survey No. 250 to a point about 2 chains west from the south-west corner of Survey No. 157; then east for about 2 chains to the said corner; then south-east for about 36 chains through Survey Nos. 250 and 181 to the southernmost corner of Survey No. 159; then north-east for about 20 chains through Survey No. 181 to a point about 13 chains south-west from the southernmost corner of Survey No. 160; then north-east for about 30 chains through Survey No. 181 to a point about 5 chains south-east from the south-east corner of Survey No. 161; then north-east for about 15 chains through Survey No. 181 to a point about 8 chains south-east from the north-east corner of Survey No. 167; then north-east for about 9 chains to the south-east corner of Survey No. 169; then along its east side to its north-east corner; then north-west for about 33 chains through Survey Nos. 181 and 182 to the easternmost corner of Survey No. 194; then along the western boundary of Survey No. 182 to the south-west corner of Survey No. 191; then along the southern boundary of the said survey number to its south-east corner; then along the southern and eastern boundaries of Survey No. 190 to its easternmost corner; then north for about 37 chains through Survey No. 182 to a point on its northern boundary about 10 chains south-east from the north-east corner of Survey No. 183; then north-east for about 87 chains through Survey No. 124 to a point about 4 chains south-east from the north-east corner of Survey No. 133; then north-east for about 105 chains through Survey Nos. 116 and 50 to a point on the northern boundary of the latter survey number about 14 chains south-west from the southernmost corner of Survey No. 89 of Sugadavani; then east for about 17 chains through Survey No. 100 to a point about 5 chains west from the south-west corner of Survey No. 99; then south-west for about 5 chains through Survey No. 100 to a point about 6 chains south-west from the abovenamed

corner; then east for about 8 chains through Survey No. 100 to a point about 6 chains south-east from the south-east corner of Survey No. 99; then north-east for about 6 chains through Survey No. 100 to a point about 5 chains east from the said corner; then again north-east for about 10 chains to the south-east corner of Survey No. 98; then north-east for about 24 chains through Survey No. 100 to a point about 5 chains west from the westernmost corner of Survey No. 103; then south-east for about 6 chains through Survey No. 100 to a point about 6 chains south-west from the said corner; then north-east for about 10 chains through Survey No. 100 to a point about 8 chains south-east from the abovenamed corner; then south-east for about 29 chains to a point about 3 chains north-west from the southernmost corner of Survey No. 103.

East.—Thence south-west for about 4 chains through Survey No. 100 of Sugadavani to a point on its southern boundary about 3 chains south-west from the south-west corner of Survey No. 103; then south-east for about 17 chains through Survey No. 180 to a point about 2 chains south-west from the south-west corner of Survey No. 181; then again south-east for about 29 chains through Survey No. 180 to a point about 15 chains south-west from the south-west corner of Survey No. 145; then south-east for about 16 chains to a point about 5 chains north-west from the northernmost corner of Survey No. 178; then south-west for about 9 chains to a point on the southern boundary of Survey No. 180 about 8 chains south-west from the abovementioned corner; then south-west for about 17 chains through Survey No. 177 to a point about 7 chains south-west from the westernmost corner of Survey No. 176; then south-east for about 29 chains through Survey No. 177 to a point on its southern boundary about 6 chains south-west from the southernmost corner of Survey No. 333; then south-west for about 30 chains through Survey No. 239 of Siravasi to a point on its western boundary about 19 chains west from the southernmost corner of Survey No. 241; then south-east for about 31 chains through Survey No. 105 of Bogassy to the westernmost corner of Survey No. 104; then south-west for about 147 chains through Survey Nos. 22 and 21 to the northernmost corner of Survey No. 90 of Basapur; then along the northern and eastern boundaries of Survey No. 108 to a point about 1 chain east from the north-east corner of Survey No. 91.

South.—Thence along the north-side of Survey Nos. 91 and 96 of Basapur to the northernmost corner of Survey No. 94; then north-west for about 16 chains through Survey Nos. 92 and 91 to the north-east corner of Survey No. 86; then along its northern and western boundaries to a point about 2 chains north-east from the easternmost corner of Survey No. 87; then west for about 6 chains through Survey No. 108 to the northernmost corner of Survey No. 87; then south-west for about 9 chains to the north-west corner of Survey No. 66; then along its western boundary to a point about 3 chains east from the easternmost corner of Survey No. 64; then south-west for about 6 chains through Survey No. 66 to the south-east corner of Survey No. 65; then again south-west for about 52 chains through Survey Nos. 62, 69 and again 62 to a point about 5 chains north-east from the north-west corner of Survey No. 22; then south-west for about 7 chains through Survey No. 62 to a point about 5 chains north-west from the abovementioned corner; then south-west for about 70 chains through Survey No. 62 to a point on its western boundary about 5 chains north-west from the north-west corner of Survey No. 20; then again south-west for about 27 chains through Survey No. 135 of Devadan to a point on its western boundary about 27 chains north-east from the northernmost corner of Survey No. 315; then west for about 25 chains through Survey No. 316 to a point on its western boundary about 11 chains north-east from the north-east corner of Survey No. 14; then north-west for about 16 chains through Survey No. 12 to a point on its northern boundary about 5 chains east from the south-east corner of Survey No. 341; then north-west for about 10 chains through Survey No. 11 to the easternmost corner of Survey No. 259 of Bidare; then again north-west for about 13 chains through Survey No. 11 to the north-east corner of Survey No. 256 of Bidare; then along the eastern, northern and western boundaries of Survey No. 252 and west side of Survey No. 253 to the north-west corner of the latter survey number.

West.—Thence along the right bank of Bhadra river through Survey Nos. 250, 235, 234, 233 and 232 of Bidare and 28 of Siragola to a point about 3 chains south-east from the southernmost corner of Survey No. 60 of Siragola; then north-east for about 22 chains through Survey No. 61 to the south-east corner of Survey No. 63; then along its eastern boundary to its north-east corner; then along right bank of Bhadra river through Survey Nos. 61 and 28 to a point about 5 chains west from the northernmost corner of Survey No. 27; then east for about 14 chains through Survey No. 28 to a point about 3 chains north-east from the north-east corner of Survey No. 27; then north-east for about 21 chains through Survey No. 28 to a point about 7 chains north-west from the north-west corner of Survey No. 34; then south-east for about 10 chains through Survey No. 28 to a point about 5 chains south-west from the south-west corner of Survey No. 34; then again south-east for about 21 chains through Survey Nos. 28, 25 and again 28 to a point about 7 chains south-west from the south-west corner of Survey No. 29; then north-east for about 8 chains

through Survey No. 28 to a point about 5 chains south from the southernmost corner of Survey No. 29; then north-east for about 9 chains to a point about 5 chains south-east from the southernmost corner of Survey No. 30; then again north-east for about 9 chains through Survey Nos. 28 and 24 to a point about 6 chains south-east from the easternmost corner of Survey No. 30; then north-west for about 24 chains through Survey No. 24 to a point about 6 chains east from the easternmost corner of Survey No. 36; then again north-west for about 22 chains through Survey No. 24 to a point about 5 chains east from the eastern-most corner of Survey No. 39; then north-east for about 44 chains through Survey No. 24 to a point on its northern boundary about 16 chains south-east from its northernmost corner; then again north-east for about 46 chains through Survey No. 15 to the south-east corner of Survey No. 14; then its east side to its easternmost corner; then north-east for about 12 chains through Survey No. 15 to the south-east corner of Survey No. 12; then its east side to its easternmost corner; then north-east for about 23 chains through Survey No. 15 to a point about 5 chains east from the south-east corner of Survey No. 9; then north for about 9 chains through Survey No. 15 to a point on a halla about 5 chains north-east from the north-east corner of Survey No. 9; then along the halla for about 8 chains to a point on the right bank of the Bhadra river about 9 chains north-west from the north-east corner of Survey No. 9; then along the said bank to the starting point.

Remarks (A).—The following rights of way, are admitted in the block throughout the year:—

1. *Foot-path* leading from Khandya to a house in Survey No. 15 of Siragola. It enters the forest in the southern boundary of the block at a point about 2 chains south-west from the northernmost corner of Survey No. 253 of Bidare, runs north-west in a winding manner for about 280 chains through Survey Nos. 250, 235, 232 of Bidare and 28 of Siragola and quits the forest in the western boundary of the block at a point about 2 chains south from the easternmost corner of Survey No. 60; then again it enters the forest at a point about 2 chains south-east from the south-east corner of Survey No. 63, passes north-east and north-west for about 61 chains through Survey Nos. 61 and 28 and quits the forest in its western boundary at a point about 4 chains west from the northernmost corner of Survey No. 27; then again it re-enters the forest at a point about 9 chains north-east from the north-west corner of Survey No. 9, runs north-east for about 85 chains through Survey No. 15, of Siragola and quits the block in its northern boundary at a point about 5 chains south-east from the south-west corner of Survey No. 16.

2. *Foot-path* leading to Enclosure No. 1.—It branches from the foot-path number 1 *supra* at a point on the right bank of the river Bhadra about 9 chains north-west from the north-east corner of Survey No. 9 of Siragola, passes in a south-easterly direction for about 27 chains through Survey No. 15 and reaches the enclosure at a point about 5 chains north-west from the westernmost corner of Survey No. 67.

3. *Foot-path* to Enclosure No. II from Bidare.—It enters the forest in the northern boundary of the block at a point about 4 chains south-east from the north-east corner of Survey No. 133, passes for about 32 chains through Survey No. 116 along the northern boundary of Survey Nos. 124 and 122 and reaches the enclosure at a point about 5 chains south-west from the north-west corner of Survey No. 121.

4. *Foot-path* leading from Bidare to Bogasey.—It enters the forest in the northern boundary of the block at a point about 18 chains east from the easternmost corner of Survey No. 10 of Bidare, passes south-east for about 35 chains through Survey Nos. 124 of Bidare and 105 of Bogasey and reaches the enclosure No. 3 at a point about 10 chains west from the north-west corner of Survey No. 107; and again it re-enters the forest at a point about 9 chains south-east from the south-east corner of Survey No. 109 of Bogasey, runs north-east and south-east for about 41 chains through Survey No. 22 and quits the forest in the eastern boundary of the block at a point about 19 chains north-west from the western-most corner of Survey No. 26.

5. *Foot-path* from Bogasey to the cave temple (Enclosure No. V).—It branches from the foot-path No. 4 *supra* at a point about 17 chains, south-east from the south-east corner of Survey No. 109, passes north-west for about 9 chains through Survey No. 22 and reaches the enclosure at a point about 9 chains south-east from the easternmost corner of Survey No. 109.

6. *Foot-path* from Bidare to Basapur.—It enters the forest in the northern boundary of the block at a point about 4 chains south from the southern-most corner of Survey No. 160, runs south-east for about 41 chains, through Survey Nos. 181 of Bidare and 62 of Basapur and quits the forest in the southern boundary of the block at a point about 4 chains north from the northern-most corner of Survey No. 22.

7. *Foot-path* going to Bhattadakal Bhavi.—It branches from the foot-path No. 6 *supra* from the same point where it enters the forest, runs south-east for about 21 chains through Survey No. 181 and reaches the enclosure.

8. *Foot-path* from Bidare to Khandya passing through the Enclosure No. III.—It enters the forest in the northern boundary of the block at a point about 9 chains south-west from the south-east corner of Survey No. 157 of Bidare, runs in a south-westerly direction for about 9 chains and reaches the enclosure; it again enters the block at a point about 15 chains north-east from the northernmost corner of Survey No. 251 of Bidare, passes south-west for about 47 chains through Survey Nos. 250, 271, 278 of Bidare and 11 of Devadan and quits the forest in the southern boundary of the block at a point about 5 chains north-west from the easternmost corner of Survey No. 259 of Bidare.

9. *Foot-path* leading from Bidare to the foot-path No. I.—It enters the forest in the northern boundary of the block at a point about 13 chains north-west from the northernmost corner of Survey No. 249, runs south-west and north-west for about 60 chains through Survey No. 235 and reaches the foot-path No. I *supra* at the southernmost corner of Survey No. 232.

10. *Foot-path* from Bidare to "Kudre Abbe" in Bhadra river in Survey No. 235.—It branches from the foot-path number 8 *supra* at the same point where it enters the forest, runs north-west for about 96 chains through Survey Nos. 250 and 235 and reaches "Kudre Abbe" in the river.

11. *Foot-path* from Kallamma's temple in Bidare to "Kavalakandagiri" in Survey No. 294.—It branches from the foot-path No. 9 *supra* at the same point where No. 9 enters the forest, runs along the demarcation line for about 21 chains and then along the western boundary of Survey No. 236 and leaves the forest in its north-west corner.

12. *Foot-path* from Sugadavani to Gundihombala in Bidare.—It enters the forest in the eastern boundary of the block at a point about 7 chains south-west from the westernmost corner of Survey No. 176, runs in a south-westerly direction for about 92 chains through Survey Nos. 177 of Sugadavani and 116 of Bidare and reaches the Enclosure No. II at a point about 5 chains south-east from the easternmost corner of Survey No. 119.

13. *Cart-track* leading from Mr. Crawford's bungalow in Survey No. 293 of Bidare to Devadan.—It enters the forest in the northern boundary of the block at a point about 6 chains north from the southernmost corner of Survey No. 249 of Bidare, passes south-west, south-east and south for about 63 chains through Survey Nos. 235 and 250 of Bidare and reaches the Enclosure No. III at a point about 13 chains south-west from the south-west corner of Survey No. 157. It again enters the forest at a point about 15 chains north-east from the northernmost corner of Survey No. 251, passes, south and south-west, through Survey Nos. 250 and 251 of Bidare and 11 and 12 of Devadan for about 58 chains and quits the forest at a point about 10 chains north-east from the easternmost corner of Survey No. 13 of Devadan.

ENCLOSURES.

B.—The following are treated as enclosures in the block.

No. I.

Survey Nos. 65, 66, 67 and 70 of Siragola have been clubbed together and treated as an enclosure with a margin of 5 chains all round. For the right of way, *vide* foot-path No. 2.

No. II.

The hamlet of Gundihombala consisting of Survey Nos. 118, 119, 120 and 121 of Bidare is treated as an enclosure with a margin of 5 chains all round. For the right of way, *vide* foot-path No. 3.

No. III.

Sree Uddandiswami temple in Survey No. 250 of Bidare is treated as an enclosure with a space of 10 chains square. For the right of way, *vide* foot-path No. 8.

No. IV.

A space of 2 chains square is allowed around the "Bhattadakal Bhavi" (ಭತ್ತದಕಲ್ ಭಾವಿ) in Survey No. 181 of Bidare and treated as an enclosure. For the right of way, *vide* foot-path No. 7.

No. V.

The cave temple of Sri Paradesappa in Survey No. 114 of Bogasey together with Survey Nos. 107, 108, 109, 110, 111, 112, 113, 114 and 115 is treated as an enclosure with the following boundaries.

Starting from a point about 11 chains west from the north-west corner of Survey No. 107, the enclosure line runs north-east for about 35 chains through Survey No. 105 of Bogasey to a point about 7 chains north-east from the north-east corner of Survey No. 106; then south-east for about 28 chains through Survey No. 105 to a point about 10 chains north-east from the north-east corner of Survey No. 115; then south-west for about 37 chains, through Survey Nos. 105 and 22 to a point on the western boundary of the latter survey number; about 10 chains south-east from the south-east corner of Survey No. 109; then north-west for about 30 chains through Survey Nos. 21 and 105 to a point about 8 chains south-west from the south-west corner of Survey No. 107; then north-west for about 11 chains through Survey No. 105 and meets the starting point. For the right of way *vide* foot-path No. 4.

No. R. 8598—*Ft.* 136-17-5, *dated* 20*th February* 1918.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900), that, from 1st April 1918, the area, the boundaries of which are set forth in the schedule annexed to this notification shall be deemed to be a "State Forest", subject to the exercise of rights specified at foot thereof:—

SCHEDULE.

District	Taluk	Approximate area	Name of block
Chitaldrug ...	Molakalmuru ...	3,250 acres, 6 guntas or 5·08 square miles.	Santhebande.

Boundaries.

North.—Starting from the north-west corner of Survey No. 62 of Chikkanahalli, the line runs north-east for about 87 chains through Survey No. 15 of Vaderahalli to a point on its northern boundary about 5 chains south-east from the south-east corner of Survey No. 18 of the same village; then south-east, north-east and north-west along the northern boundary of Survey No. 15 to the south-east corner of Survey No. 16; then east and north-east for about 50 chains along the Kudligi-Rampur road to the northernmost corner of Survey No. 35 of Devasamudra village to the south-west corner of the tank, Survey No. 43 of Rampur; then along its southern boundary to its south-east corner; then south for about 5 chains along the eastern boundary of Survey No. 34 of Devasamudra; then turns south-east for about 46 chains through Survey No. 33 of the said village to a point on the Bangalore-Bellary high road about 13 chains south from the north-east corner of the said survey number.

East.—Thence south along the Bangalore-Bellary road for about 56 chains to a point about 5 chains north-west from the south-east corner of Survey No. 33; then west for about 18 chains through Survey No. 33 to a point about 8 chains north-west from the north-west corner of Survey No. 101 of Ramasagara; then south-east for about 5 chains to a point on the common boundary between Devasamudra and Ramasagara villages, about 5 chains west from the abovementioned corner: then south for about 13 chains through Survey No. 100 of Ramasagara to a point about 6 chains south-west from the westernmost corner of Survey No. 101; then south-east for about 16 chains through Survey No. 100 to a point about 5 chains south-west from the south-west corner of Survey No. 101; then south-east for about 7 chains through Survey No. 100 to a point about 6 chains south-west from the south-east corner of Survey No. 101; then again south-east for about 6 chains through Survey No. 100 to a point about 7 chains south-west from the north-west corner of Survey No. 99; then south-west for about 13 chains through Survey No. 100 to a point about 6 chains west from the south-west corner of Survey No. 99; then south-west for about 13 chains through Survey No. 100 to a point about 5 chains north-west from the south-west corner of Survey No. 98; then again south-west for about 4 chains through Survey No. 100 to a point on the common boundary between Ramasagara and Gowrasamudra about 4 chains north-west from the southernmost corner of Survey No. 100.

South.—Thence in a south-westerly direction for about 21 chains through Survey No. 63 of Gowrasamudra to the northernmost corner of Survey No. 65; then along the northern boundary of the said survey number to the southernmost corner of Survey No. 63; then north-west for about 22 chains through the said survey number to a point about 5 chains north from the northernmost corner of Survey No. 64; then west for about 27 chains through

Survey No. 63, to the northernmost corner of Survey No. 52; then north-west for about 66 chains through Survey Nos. 61 and 62 to a point on the western boundary of the latter survey number about 8 chains north from the north-east corner of Survey No. 53 of Chikkanahalli; then south-west for about 39 chains through Survey No. 55 to a point about 5 chains north from the northernmost corner of Survey No. 25; then south-west for about 22 chains through Survey No. 55 to a point on the western boundary of the said survey number about 5 chains north-east from its south-west corner; then west for about 23 chains through Survey No. 56 to a point about 6 chains north-east from the south-east corner of Survey No. 59; then north-west for about 27 chains through Survey No. 56 to a point about 6 chains east from the south-east corner of Survey No. 61; then again north-west for about 15 chains through Survey No. 56 to the north-east corner of Survey No. 61; then along the northern boundary of the said survey number to its north-west corner; then south for about 46 chains through Survey No. 62 to a point about 13 chains north-west from its south-east corner; then almost west for about 88 chains through Survey Nos. 62 and 63 to the western-most corner of the latter survey number.

West.—Thence along the western and northern boundaries of Survey No. 63 of Chikkanahalli to the starting point.

REMARKS.

The following rights of way are admitted within the block for the use of men and cattle through the year.

Foot-path, 6 feet wide leading from Vaderahalli to Chikkanahalli. It enters the forest in the northern boundary of the block from the south-west corner of Survey No. 16 of Vaderahalli, runs south-west for about 44 chains through Survey Nos. 15 of Vaderahalli and 56 and 62 of Chikkanahalli and quits the forest in the southern boundary of the block at a point about 3 chains west from the north-east corner of Survey No. 61 of Chikkanahalli.

2. *Foot-path*, 6 feet wide from Gowrasamudra to the halla in Survey No. 61 of the said village. It enters the forest in the southern boundary of the block at a point about 3 chains west from the south-east corner of Survey No. 61, runs in a north-easterly direction for about 7 chains through Survey Nos. 61 and 63 and reaches the halla.

Cart-track, 12 feet wide leading from Siddapur to Chikkanahalli. It enters the forest in the southern boundary of the block at a point about 17 chains east from the westernmost corner of Survey No. 63 of Chikkanahalli, runs in a north-westerly direction for about 18 chains and quits the forest in its western boundary at a point about 4 chains north from the abovenamed corner.

This is open for carts also.

No. R. 8809—*Ft.* 151-17-2, *dated 26th February* 1918.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 4 of the Mysore Forest Regulation (XI of 1900), that it is proposed to constitute the area, the boundaries of which are described in the Schedule below, a State Forest, under the provisions of the said Regulation :—

SCHEDULE.

District	Taluk, hobli and village	Approximate area	Name of block	Situation and boundaries.
Mysore ...	Hunsur Taluk. Chilkunda hobli	2,610 acres and 24 guntas—4·1 square miles approximately.	Mutharoyagana-hosalli State Forest.	

Situation.

A track of wooded area to the west of Hunsur town and extending on either side of the Hunsur-Cannanore road between the 20th yard of the 4th furlong of the 115th mile and the 114th yard of the 5th furlong of the 116th mile.

Boundaries.

North.—Starting from the mid-point of the southern boundary of Survey No. 7 of Chilkunda village (4¾ furlongs or 78 chains from its either end), the line runs due east along the said boundary up to the trijunction bandhs of Chilkunda, Attikuppe and Mutharoyaganahosalli kaval; then it runs north-east in a straight line to the south-west corner of Survey No. 62 of Attikuppa.

East.—Thence south, south-east to the north-west corner of Survey No. 64 of Attikuppa; then along the western boundary of the said survey number to its south-west corner and then to the north-west corner of Survey No. 89; then along the west sides of Survey Nos. 89 and 88 and the southern side of Survey No. 88 to the north-west corner of Survey No. 107 of Kallahalli village; then along the western boundary of Survey Nos. 107, 105 and 104 of Kallahalli; then through Survey No. 99 to the south-west corner of Survey No. 100; then on to the south-west corner of Survey No. 98; then to north-west corner of Survey No. 81, then along the western boundary of Survey Nos. 81, 80, 79, 78, 77, 76 and 75 of Kallahalli to the south-west corner bandh of Survey No. 75; then west along the Hunsur-Cannanore road up to the 7th furlong stone of the 115th mile, then south for about 80 chains along the western boundary of Survey No. 91 of Hunsegala village till it meets the north-west corner bandh of Survey No. 66 of Hairagi village and turns south-west for about 33 chains and north-west for about 5 chains along the north-western boundary of the said survey number till it joins the north-east corner bandh of Survey No. 61 of the same village.

South.—Then the line runs along the northern boundary of Survey No. 61 of Hairagi for about 40 chains to the north-west corner of Survey No. 62 of Hairagi, then south-west along the northern boundary of Survey No. 61 for a distance of 17 chains to a point about 8 chains from the south-east corner of Survey No. 48 of Hemmige; then straight across the south-western projection of Mutharoyanahosalli kaval through the south-east corner bandh of Survey No. 63 to the south-east corner bandh of Survey No. 60 of Hemmige village; then north and north-west along the eastern and the northern boundary of Survey No. 60 to its north-west corner; then south-west along the northern boundary of Survey No. 20 of Hemmige to the south-east corner of Survey No. 86 of Karnakuppe.

West.—Then north-west along the eastern boundary of the Survey No. 86 to the trijunction bandh of Harinahalli, Karnakuppe and Mutharoyaganahosalli kaval, then north-east along the south-eastern boundary of Survey No. 30, Harinahalli till it meets the village boundary of Mutharoyanahosalli village, then south-west along the western boundary of Survey No. 17 of Mutharoyanahosalli for about 10 chains up to its southernmost corner, then north-east along the eastern boundary of Survey No. 17 of Mutharoyanahosalli till it joins the Hunsur-Cannanore High road at the 11 4th yard of the 5th furlong of the 116th mile. Then across the road and due north along the eastern boundary of Survey Nos. 21, 68, 65, 64, 63, 62, 61 and 60 of Mutharoyanahosalli village up to the north-east corner of Survey No. 60, then north-west along the northern boundary of Survey No. 60 to its north-west corner and then straight across the kaval to the starting point, (*viz.*, the mid-point of the southern boundary of Survey No. 7 of Chilkunda).

2. The Government of His Highness the Maharaja of Mysore are further pleased, under clause (*c*) of the said section to appoint Mr. B. Basavaradhya, B.A., B.L., Assistant Commissioner, to be the Forest Settlement Officer, who shall inquire into and determine the existence, nature and extent of any rights claimed by, or alleged to exist in favour of, any person in or over land comprised within such limits, or to any forest produce of such land, and to deal with the same as provided in Chapter II of the said Regulation, and the District Forest Officer of the Mysore West Division for the time being, to attend on behalf of Government to assist the Forest Settlement Officer in the inquiry.

3. The Government of His Highness the Maharaja of Mysore are further pleased, under the authority vested in them by Section 15 of the said Regulation, to appoint the Deputy Commissioner of the Mysore District, for the time being, to be the Officer of the Revenue Department who shall hear appeals from the orders of the Forest Settlement Officer under Sections 10, 11, 12, 13 or 14 of the Regulation.

No. 4703—*Ml.* 6-17-12, *dated* 20*th February* 1918.

Under Section 18 of the Mysore Municipal Regulation, 1906, the term of the Municipal Council of Melkote is extended to the end of June 1918, pending the passing of the bill further to amend the said Regulation.

No. 4761—*Ml.* 61-17-75, *dated* 23*rd February* 1918.

Under Section 6 of the Land Acquisition Regulation, VII of 1894, it is hereby declared that the land described hereunder is required for a public purpose, *viz.*, for improving the alignment of the Jangam Mestri lane, 2nd Division, Bangalore City, and under Sections 7

and 3 (*c*) of the said Regulation, the Senior Vice-President of the City Municipality, is appointed to perform the functions of a Deputy Commissioner under the Land Acquisition Regulation and is authorised to take order for the acquisition of the said land :—

District	City	Division	Street	Name of khatedar or owner	Munl. No.	Description	Total extent	Extent now required			Boundaries			
								Extent		Area	East	West	North	South
Bangalore	Bangalore	2nd Division	Jangam Mestri lane	Seetharamaiya	40	Vacant land	7'85 s. yds.	Length in feet 7½	Breadth in feet 21	16'81 s. ft. or 1'81 s. yds.	His remaining property	Municipal land	Lane	Narayan Rao's vacant land.

REMARKS.—A plan of the property will be available for inspection in the office of the President, City Municipal Council, Bangalore, at any time during office hours.

By Order,
B. RAMASWAMAIYA,
Offg. Secretary to Government,
Revenue Department.

EDUCATION AND AGRICULTURE.

No. 8297—*A. & E.* 16-17-26, *dated* 20*th February* 1918.

Under Section 6 of the Land Acquisition Regulation, VII of 1894, it is hereby declared that the land described hereunder is required for a public purpose, *viz.*, the construction of a drainage by the Sericultural Department, and under Sections 7 and 3 (*c*) of the said Regulation, the Deputy Commissioner in charge of the Tumkur District is authorised to take order for the acquisition of the said land :—

District	Taluk	Hobli	Village	Name of khatedars	Survey No.	Dry, wet or garden	Total extent	Kharab	Remaining extent	Assessment	Extent now required		Boundaries			
											Extent	Assessment	East	West	North	South
